Dear [REDACTED]

Re your Official Information Act request IR-01-020-15055 seeking information as follows:

Any instructions issued to frontline police on how to enforce the lockdown.

Police provided a written response to you on 12 May 2020 with an accompanying document detailing Alert Level 4 guidelines dated 3 April 2020.

You then communicated you were seeking documentation provided on or before 30 March 2020.

We have completed another search from a range of locations and located eight further documents distributed to Police staff prior to 30 March 2020 that meet the criteria of your request.

You will note that redactions have been made to one of these documents.

This was done pursuant to:

- Section 9(2)(h) of the Official Information Act 1982 to maintain legal professional privilege and Police does not consider that, in the circumstances, public interest reasons for disclosing the information sought outweigh the need to maintain privilege.
- Section 9(2)(a) of the Official Information Act 1982 to protect the privacy of natural persons, including that of deceased natural persons.

Our apologies these were not provided to you in the original response as they were not discovered during the initial document search.

You have the right to ask the Ombudsman to review my decision if you are not satisfied with the way that I have responded to your request.

Yours sincerely

Superintendent Steve Greally
